

# 10 Minute Chores

Only have 10 minutes to clean? No problem! Pick a chore and get to work!

- Bathroom quick clean:** use cleaning wipes for sink and toilet, change out hand towels and take out the trash
- Unload/Load Dishwasher :** Easy peasy! Bonus points if you wash the pots and pans too!
- Vacuum race:** how many rooms can you vacuum in 10 minutes? I bet it's more than you think!
- Sweep it up:** Kitchen, bathroom, front porch, hallway. See how many you can do!
- Change sheets/Make the bed:** My #1 trick to make the bedroom feel clean!
- Clear the "junk area"** Whether it's a kitchen table, a drawer or a pile by the door, it takes just a few minutes to conquer the clutter! Focus on 1 area at a time.
- Playroom pick-up:** By the time you listen to 2 songs, you can have toys back in their place!
- Dust it off:** Bookshelves can get neglected and dusty. Take 10 minutes and dust it off! You might even find a book to read while you're at it.
- Put laundry away:** 10 minutes isn't enough time to do the laundry. But it is plenty of time to put a load or two away!
- Organize makeup:** Go through your makeup bag or drawer and toss the old stuff or that eye shadow you never should have bought.
